Introduction to our class

Hello Families,

Welcome to 4/5 Sparks! I am so excited to be your child's teacher this year! We have 8 grade 4's and 17 grade 5's for a total of 25 students in our class. Student supervision begins at 8:10 and students can enter the building at 8:20. Students will still need an inexpensive pair of headphones for their chromebooks and should have their water bottle daily. I believe that communication is very important so please do not hesitate to reach out to me at any time for anything! I check my email daily.

Specialist Schedule

Phys. Ed Tuesdays and Thursdays.

Library will be on Wednesdays.

Class Codes & Homework

Students will benefit from extra practice reading at home. Library books come home every Wednesday.

Students should practice their math skills and facts. There are online resources to help in our google classroom.

Extra worksheets will be sent home with students who could benefit from extra practice throughout the year.
