At Nelson Whynder, we are committed to creating a safe, welcoming, inclusive, and culturally responsive learning environment where every child feels a strong sense of belonging, identity, and purpose. We want every student to know that they are valued, supported, and capable of success.

Our partnership with families and our community is an important part of our students' success. Together, we will continue to build a school community where students are encouraged to learn, lead, dream, and achieve.

We look forward to an exciting year filled with learning, laughter, new experiences, and many opportunities to celebrate our students.

Welcome back—we are so glad you are part of the Nelson Whynder family!

Warm regards,

April Desmond

Our Commitment to a Safe and Inclusive Learning Environment

- We believe in setting clear expectations for behavior so everyone feels safe and respected.
- Our approach focuses on preventing unsafe incidents before they happen and addressing them quickly if they do.
- We prioritize the safety and well-being of all students, staff, and families in every decision we make.

- When mistakes occur, we support students in learning from them and finding better ways to handle future situations.
- Whenever possible, we use restorative practices to help heal and strengthen our community after conflicts.

We strive to keep students in class and learning, but if removal is necessary for safety, support will always follow.

The **Nova Scotia Provincial School Code of Conduct Policy** outlines expectations for behavior in schools, ensuring a safe, inclusive, and supportive learning environment for all students, staff, and visitors. It emphasizes respect, responsibility, and safety. If you would like to view the document, please click the following link [Provincial School Code of Conduct Policy](#)

Thank you for your continued support in making Nelson Whynder Elementary a place where every student feels valued, respected, and empowered.

School Vision and School Matrix

Our School Vision

At Nelson Whynder Elementary School, we work together to make our school a safe, kind, and welcoming space for everyone. We believe every student has a voice and can make choices to help them learn and grow. We strive for academic excellence by working hard, believing in ourselves (Kujichagulia), and showing unity and care for one another (Umoja). We celebrate what makes each of us unique—our stories, strengths, and who we are. With Ujima and Ujamaa, we take care of our community, share responsibilities, and lift each other up. We use our creativity (Kuumba) to solve problems, set goals with purpose (Nia), and believe in ourselves, our families, and our future

	Respect (Umoja)	Responsibility & Safety (Kujichagulia)	Community (Ujima & Ujamaa)	Striving for Excellence (Nia, Kuumba, Imani)

National Day for Truth and Reconciliation

On September 30, we honour the children who never returned home from residential schools, and the survivors, families and communities who continue to live with their lasting impacts. Orange Shirt Day is an Indigenous-led movement that reminds us that Every Child Matters and encourages all of us to learn, reflect and support truth and reconciliation. As there are no classes on Wednesday, September 30, we invite students and staff to wear orange, if they're able, on Tuesday, September 29.

Stand Up Against Bullying Day is September 10

On Stand Up Against Bullying Day, we come together to promote kindness, inclusion and respect in our school communities.

Every student deserves to feel safe, supported and welcome at school. On Thursday, September 10, we invite students and staff to wear pink, if they're able, and help show that bullying has no place in our schools.

Together, we can help create school communities where everyone feels they belong.
